**New Yorkers United for Justice Chief Strategist Khalil A. Cumberbatch Available for Interviews
In Response to Latest Developments in Bail Reform**

New York (N.Y.) – Khalil A. Cumberbatch, the Chief Strategist for New Yorkers United for Justice, a statewide coalition and the state’s leading reform advocacy organization, is available today for in-person, Skype, and telephone interviews to address ongoing fearmongering and misinformation pushed by opponents of bail reform and recent developments, including implementation and polling.

The group has also released [New York Bail Reform: What’s Fact and What’s Fiction](#) to address the misinformation and confusion around new bail reform regulations, and is compiling resources including the New York State Defenders Association’s [A Bench Book for Judges](#).
